

Name \_\_\_\_\_ Date \_\_\_\_\_ Period \_\_\_\_\_

**Now answer the following questions about the 3 towns you just created on the map on the front of this page:**

1. How would the location of **town A** make it a good place for agriculture (farming) or fishing?

2. How would the location of **town B** make it a good place for trading with nearby settlements?

3. How would the location of **town C** make it a well protected place from invaders?

4. Which of your towns would make the best spot for future expeditions of discovery out West in the frontier?

*Explain why:*

5. Which of your towns is going to “have it all?”

*Explain why:*
